

*We feed the fire.
The fire feeds us.*

*Throughout this cycle, our lives happen.
Around the ember, we make friends.
We tell stories. We collect memories.*

*We make (and change) up our minds.
All in the name of this sacred ritual.
It goes way beyond the preparation of the barbecue.*

*A ceremony that connects us to who we are.
Hand grabbing the meat. Sharpening the knife.
Crossing through the smoke.
For everything those things mean,
we decided to make it our reason.*

*We are gauchos with open minds and borders.
We respect this whole tradition.
Do we agree on everything? No.*

*Our mission is to build a piece of
the world we wish to live in.
With a lot of exchange and no prejudice.
Less constrained. More good vibes.*

all began...*

COCKTAIL

Keeping the culture of national cocktails alive
and elevated with the finest ingredients.

Weber Haus 5 Years Solera cachaça, Cynar 70,
and Antica Formula vermouth.

69

Made here, to the world

European refugees who fled to Brasil,
the italians spread around here and soon
fell in love for what they've found.

Instead of liqueurs and apéritifs, they found
cachaça. But it was the combination made by
a vermouth brand that created one of its most known
and loved classics, mixing italian and brazilian
drinking cultures. Cachaça and vermouth were mixed
together and from that the cocktail was born.

NEGRONI

Best ingredients to make the classic even better. Gin Tanqueray N° Ten, Campari and vermouth Antica Formula.

69

ZACAPA OLD FASHIONED

59

NEGRONI

all the way

A fearless and high spirited count

Everyone used to drink it the american way, a vermouth and campari cocktail with a sparkling water touch.

Until Count Camillo Negroni changed it up
and made it a worldwide explosion.

"An american, but stronger" he asked the bartender.
Everyone heard about it, and the Negroni drink was then born.

OUR WINE LIST

*Divided into 3 worlds: **Our World** (from Rio Grande do Sul), the **New World** (the rest of the world), and the **Old World** (Europe), the selection from 20BARRA9 brings the best options for you to collect memories.*

Within each world, the wines are organized as follows: first, they are divided by their countries, arranged in alphabetical order. And within each country, they are sorted by the alphabetical order of their producing region.

In each of these worlds, we made a very selective curation, with a section of icons featuring some of the best representatives from these regions.

Many of them are highly rated by the world's top critics: Robert Parker, marked on our list as 'RP', and James Suckling, marked as 'JS'.

Additionally, we have other options that you can find by scanning the QR Code at the end of this menu.
